ABOUT ME

A Motivated B.Tech IT student with a strong interest in software development and web technologies. Currently building skills in HTML, CSS, JavaScript, React, Java, and problem-solving through DSA. Passionate about developing practical projects, learning new technologies, and continuously improving technical skills. Seeking opportunities to apply my knowledge and grow as a software developer.

EDUCATION

Sainik School Ambikapur | 2021-2023
Senior Secondary

Narula Institute Of Technology | 2024-2028
B.tech, IT

PROJECTS

Product Review Synthesize - Built an NLP-based application that collects product reviews and generates concise summaries with sentiment analysis. Reduced manual review reading time by 80% and improved decision-making for product selection.

Tools - Python, Fast API, NLP, NLTK, Pandas, Numpy.
